

# PROJECT MANAGEMENT CHALLENGE 2006

## *Third Annual NASA Project Management Conference*

### BIOGRAPHY

**Ms. Blanca E. Morales, PMP**  
***Project Management/Program Management Office***  
**Honeywell Technology Solutions, Inc.**

**Biography:**

Ms. Morales has almost 10 years of project management experience. Her experience ranges from the mid-1990's through the present with organizations such as AT&T Corp., IBM Corp., and now Honeywell TSI.

As leader of the Project Management Office, Ms. Morales has been charged with increasing Project Management Maturity across the Near Earth Network Services Program within Honeywell Technology Solutions, Inc. as well as providing direction for all project management practices on the program.

Ms. Morales successfully accomplished a project management maturity initiative during her service with Alstom Corporation in Bellevue, WA as Manager of Central Markets Product Development and Product Support.
